

The shared passions of two generations of Phoenix sisters, Willow & Lotus and Sandra & Lorelle, unite under the Red Phoenix Emporium banner with their highly sought after original jewellery designs, clothing, thoughtful homewares and lifestyle products inspired by their globetrotting adventures.

The Red Phoenix Emporium signature is vivid gemstones combined in original colour-ways that are glamorous and stylish, yet practical and work hard in your wardrobe.

The versatility of Red Phoenix Emporium necklaces allow you to feature different colours to best complement your outfit and many designs work double-duty so you can wear them long or use their unique joiner clasp to style it wrapped around your collar.

Red Phoenix Emporium is designed in Australia and handmade in Hong Kong using traditional methods of stringing luxurious gemstones including agate, quartz crystal, pearls and turquoise. Their range of bright and versatile designs is hard to resist!
